

## II. Bizkaia Tournament of Atari 2600

The 26th of August, Thursday, the Egoitz Campo with other players organized the II. Bizkaia Tournament of Atari 2600 and the I. Bizkaia Tournament of Atari Lynx. Two consoles of Atari, nice afternoon.

We met 8 players, a new record. All participants had a great time playing the classics we chose: on the Atari 2600; Breakout, Missile Command, Front Line and Basketball., RC Soccer and Frogger. In the Atari Lynx, on the other hand, the 7 of 8 players played Toki, Checkered Flag and Scrapyard.

We played both tournaments alternating. While one or two players were playing the Atari 2600, another player was playing the Atari Lynx. Of course, we kept an order, that is, we played game after game in order while the results were recorded.

It was a very fun afternoon and for example Jagoba, Alvar and Javier Junior (new players) enjoyed a lot and they told us that they will return to play. Luis, a new player also, and a great player in all kinds of videoconsoles, won the tournament. He beat all of us. Egoitz was the best in Atari Lynx tournament.

The idea is to organize the III. Basque Tournament of Atari 2600 and the II. Basque Tournament of Atari Lynx in February of 2022. We expect to encourage more players and we will try to play to more players in order to be longer the tournament. Here you have the results (score into parenthesis).
