

VI. Basque Tournament of Atari 2600

The 16th of August the Euskal Retro Association organized the VI. Basque Tournament of Atari 2600.

5 players came to Bar Barria (Santutxu-Bilbao) and we enjoyed a lot playing to Atari. We played the flashback again, but our intention is to buy an Atari 2600 classic before 2024. I have to save a bit of money and I sure will if all goes well. We chose 5 classic games for Atari 2600: Breakout, River Raid, Basketball, Missile Command and Out Law.

We started at 16:45 pm and we spent an hour and 15 minutes playing this tournament. It was a very fun afternoon as always when we play Atari and there was a lot of competition between the players. In the end though Egoitz won on points; but Daniel and Andi did a great job. Lander, my son, played very well special Basketball and River Raid games.

The idea is to play another Atari 2600 in February of next year. Here you have the results (score into parenthesis):
